December 2023/January 2024

It is still too early to start wishing anybody any "Merry's." It is not too early, however, to start thinking about year-end housekeeping and New Year's (UPC) Resolutions. Here is my list for us:

- Holiday Service Schedule.** First, a quick reminder of all our upcoming Christmas and holiday events at UPC:
 - Friday, December 15th** - 6:45pm Gather at UPC for Christmas Caroling at Library Lane
 - Sunday, December 17th** - 10:00am Worship (ADVENT III)
 - Sunday, December 24th** - 10:00am Worship (ADVENT IV)
 - 7:00pm Christmas Eve Lessons & Carols Service
 - 11:00pm Christmas Eve Candlelight Service with Communion
 - Sunday, December 31st** - 10:00am Worship: Christmas Hymn Sing & Watch Night
 - Wednesday, January 3rd** - 5:00pm Youth Christmas Party at UPC (Grades 8-College Students)
- Pledges.** A friendly pastoral reminder to check if you are up-to-date on your 2023 pledges. Help UPC finish what has already been a very strong year by considering paying the remainder of your pledge and any other outstanding fees you might owe. Thank you again for your generosity and praise God for a providential year!
- UPC Shopper Cards.** A friendly reminder, if you are still Christmas shopping, consider a UPC Shopper card for all your gift card needs. Conveniently complete your shopping after church, and support UPC's mission in the process!
- Nominations!** Among other things, the end and beginning of a new year at UPC means turning over new commissioner and committee members. Thus far, the Nominations Committee has had a relatively productive season. However, we are still looking to fill a number of positions. If you are looking for a new opportunity to offer your Time and Talents at UPC, or if the Spirit has prompted you with a sense of calling or passion that would strengthen UPC's mission, please consider serving in leadership at UPC this year. For more information on available opportunities, email your inquiries to Pastor Jason or Sue Schmidt.
- Contemporary Music in 2024.** The Worship team has heard your many requests to incorporate contemporary music into worship. Every 2nd and 4th Sunday this new year there will be at least one contemporary praise and worship song included in our worship service. Throughout the coming months, we will be intentional in learning these songs so they can become a regular staple in our worship life. Also be encouraged to leave your favorite suggestions in the hymn suggestion box after worship.
- 2024 ANNUAL MEETING.** Finally, mark your calendars as our annual meeting is fast approaching. On Sunday, January 28th we will convene immediately following worship to elect new committee members and commissioners and pass the 2024 budget. We need your voice and your vote!

I eagerly anticipate celebrating my first Christmas with you in a couple of weeks. I am praying for you all as we await all that God holds for us in the new year!

Grace and Peace,

Rev. Jason Okrzynski, PhD

CHRISTIAN EDUCATION NEWS

Dear Church Family,

I always appreciate the end of our calendar year connecting with the beginning of the church calendar in Advent and Christmas. Year after year, we come back to one of the big stories of the Bible, how God seeks to dwell and be among His people. From the very beginning, this is the goal, and it is disrupted when sin enters God's good creation. So, each year when I read through the Old Testament prophets, especially during the first week of Advent, I am reminded of how God has planned this from eternity past. He has promised to enter His creation and begin the work of restoration beginning with humanity. So, as we continue through this Advent season, let us remember the work that God accomplished through the sending of His Son and let us look forward to what He promises to bring to completion when Jesus returns in his second advent.

This is why I am looking forward to our next adult study, as well. Our next adult study, beginning January 7th will be exploring why Christianity makes sense. We will be talking about the book *Simply Christian* by NT Wright. There will be more information on this in the coming weeks. I look forward to talking about what it means to be a Christian.

Our Children's Ministry this month is talking about Messengers of the New Covenant. The first Sunday, we talked about the prophets and then talked about the angel who came to Mary. We traced how God throughout the covenants they have talked about already led the people of God to this New Covenant in Jesus Christ. In January, the kids will focus on the story of The Good Samaritan.

On the family front, over Thanksgiving, we were able to spend time with family. This of course meant the kids got to spend some time with cousins including a sleepover at my parent's house with the cousins. All was going well. They put themselves to bed all in the same room, then a little before 5:00 a.m., Emily and I wake up and hear the kids playing with Legos. It was a very early morning and made for a long next couple of days. I am glad they had so much fun with their cousins, though. It is wonderful to see them enjoying time together.

I hope that you all have a wonderful Christmas and a great start to your new year.

Blessings,

Ryan Aubrey
Director of Christian Education

Our Children's Sunday School class made this Thank You poster on November 19 after they learned more about PADS Lake County, our PADS ministry, and the ways the clients are helped by the PADS staff. Each student has received a copy of this photo taken when Rose Pech presented the poster to some of the PADS staff members. The staff members were thrilled to receive the poster and said they planned to hang it in the main office building at 1800 Grand Avenue in Waukegan.

SAVE THE DATE: Kids Night Out coming Friday, February 9 at UPC (hosted by the Children's Ministry Committee). Includes pizza, movie and other activities. More details to come.

The Membership Outreach Committee will be hosting Fellowship Dinners (potluck style) at several members' homes on Saturday, January 27. Watch for more details and sign-up information in the Tuesday emails and Sunday bulletins in the new year.

The UPC Annual Meeting is scheduled for Sunday, January 28 following the worship service. All committee and commission reports are due to the office by January 5, 2024. All members are encouraged to attend this important meeting.

STEWARDSHIP NEWS

Dear Members and Friends,

First and foremost, THANK YOU to all of you who made the commitment to pledge your treasure in response to our Stewardship Campaign 2024. We give out of love, joy and a deep sense of thanksgiving for all God has done and is doing for us. Your generosity makes it possible for our Budget and Finance Committee to make an informed attempt at budgeting wisely for our ministries for the new year. Based on your pledge cards, our leadership can estimate to what extent the United Protestant Church can financially support missions, programs, staff and services that will help us to fulfill our overall purpose of MAKING DISCIPLES FOR JESUS CHRIST FOR THE TRANSFORMATION OF THE WORLD.

For those of you who have not pledged but are contemplating how you will support the objective of the UPC, I ask that you prayerfully reconsider your part in the United Protestant Church's mission and many ministries by pledging along with becoming involved, if you aren't already, in at least one of the many ministries and missions of our church. For a more comprehensive picture of who we are as a church family you can refer back to the Narrative Budget brochure which was included in the pledge packets mailed to each household or look for one on the information table in the Narthex.

In 2024 the Stewardship Committee is planning on making online giving easier, and I will provide updates when that initiative is fully in place. We are also committed to providing a brief financial report once a month in the church bulletin to keep you apprised as to where we stand with our monthly budget. Furthermore, we, as a committee, are committed to learning as much as possible about significant stewardship initiatives, continuing to thank our hard working volunteers, supporting all of our committees and mission groups, and praying with thankful hearts for that which God has blessed the United Protestant Church!

Rejoice evermore. Pray without ceasing. In everything give thanks; for this is the will of God in Jesus Christ concerning you. 1Thessalonians 5:16-18

Trusting Our God Who Provides,

Carol Roselli-Rasmussen
Stewardship Chairwoman

STEWARDSHIP TESTIMONIAL

Presented by Barb Fischel on December 3rd

Usually when I stand up here I am asking you to sign up for something. But today is different, as I have been asked to talk about my feelings about UPC. A little history lesson: My parents started bringing me here when I was 9 years old. We moved to Round Lake and for some reason they decided to come to UPC in Grayslake (the Lord works in mysterious ways!). I started singing in the choir when I was 16 (so believe me when I say I know most every hymn we have ever sung here). I was confirmed and married here and our 2 daughters were baptized, confirmed and married here. I have served as a Sunday School teacher, a commission chair and have sat on the Administrative Council. I was on the Education Committee for quite a few years until I joined the Worship Committee. I am often asked why I do the many things I do at UPC. A lot has to do with the people who came before me. Nancy and Hal Alvin, Harriet White, Bob and Jan Peterson, Dale and Doris Craig, Verlee Jones, and I could name many others. Just a month ago we celebrated All Saints Day, these people are my saints. I do what I do because they did it first and showed me the way. People often tell me that so often I project enthusiasm and happiness. I feel I am blessed and called to serve here at UPC. To serve the Pastor, to serve the congregation and to serve a Living Lord. And yes, we do serve a Living Lord who is alive and present here at UPC. I feel the Lord fills my heart with Happiness and His Grace. Why would I not have a smile on my face?

I have one more thing to share with you. In Hebrews 13:2 it says "Do not neglect to show hospitality to strangers for in doing so many have entertained angels without knowing it!" I believe in angels because one day I came for a meeting with Pastor Ryan and a woman who appeared homeless to me came up and asked me to give this to the church (rolled up bills amounting to approximately \$6). At the time our finances were tight (so what's new), and Pastor Ryan told how each morning when he or Joann came to work, there would be bills of different denominations stuffed in the back door. When this woman gave me the money, I said what is your name? All I remember her saying was "I love churches, churches are very important." I said why don't you come in and she started walking away. I turned to open the door and she was gone. Pastor Ryan said to me "Barb, I believe you have just seen an angel."

So I believe in Saints, I believe in Angels and I believe that God believes in us here at UPC!

Because after all, churches are important! I know this is true because I heard it from an Angel!

THANKSGIVING POTLUCK

Over 40 people attended the Thanksgiving Potluck on November 19 after the worship service. Thanks to all who attended and provided food to share, and a special thanks to Barb Fischel and the Worship Committee for organizing this event.

MISSIONS

UPC Joy Sharing for January

Our Joy Sharing on January 21, 2024 will focus on Lake County Haven. The Haven empowers homeless women and their children to achieve permanent, independent living. There are many ways to show your support for their two shelters. You may provide meals by either sending from local restaurants or preparing the meals yourself and delivering them, or by donating two bags of groceries. Sign-up sheets with available dates can be found online at lakecountyhaven.org. Other opportunities include community outreach, occasional office work, professional services, and of course, fundraising by volunteering to plan and organize events. As always, you can donate to our Joy Sharing. Thanks for your generous support! Contact Judi Becker at judibee50@gmail.com with any questions.

Feed My Starving Children

The next UPC packing session at Feed My Starving Children in Libertyville is scheduled for **Tuesday, January 2** from **7:00-8:45 p.m.** If you are interested in participating, please contact Cinda Bartz at bartzc@sbcglobal.net.

UPC Shopper

Consider purchasing UPC Shopper cards to give as Christmas gifts or to use when buying gifts. Also consider purchasing UPC Shopper cards to use on New Year's Eve for an evening out at dinner or a movie or to buy some snacks for a night in. Check out our selection and order early.

Other News

Heifer International gift items will be available to purchase as an alternative gift for those who "have everything." For each purchase made, you will receive a gift card to give to your friend to explain how the Heifer gift program works. Imagine gifting your friends and families with a flock of chicks, a goat, or a cow. Giving an animal gift at the holidays is like giving someone in an under-developed part of the world a small business, providing wool, milk, eggs, and more. Brochures and order forms will be available after the worship service on December 17.

Post-Christmas clearance sales are a great time to start shopping for 2024's Operation Christmas Child shoebox filler items. This is often a great time to find toys and stuffed animals on sale, as well as hats and scarves.

When taking down your Christmas lights, remember to bring any unwanted or non-working strands to UPC to donate to the Lion's Club.

Christmas cards are useful to two of UPC's missions. Buy greatly discounted boxes of new cards or clear out your leftovers to donate to Companions Journeying Together. (These cards must not have multiple layers, glitter, take glued items, stickers, or added decorations.) Operation Christmas Child can reuse any style Christmas card you received from family and friends to send a cheery note to the recipient.

The Mission Committee would like us all to embrace the slogan "We can do more in 2024." Please consider trying a new mission or participating more frequently in an old one. Check out our web page under Missions at upcgl.org or chat with a member of the committee for some ideas.

The Mission Committee would like to thank our incredible congregation and friends for their amazing generosity in providing Christmas gifts for so many deserving Veterans at the VA Hospital. We had 86 gift tags on our VA Christmas tree and all tags were selected and beautifully wrapped gifts were returned in time for our delivery on December 10. The staff was very appreciative and wanted us to express their gratitude to everyone!

December 24th Worship Services:

10 AM 4th Sunday of Advent Service (no Sunday School classes or Children's Church)

7 PM Christmas Eve Lessons & Carols Service

11 PM Christmas Eve Candlelight Service with Communion

- **There will be no Christian Education classes or Children's Church on December 24 or December 31. Classes will resume on January 7, 2024 at 9 AM.**
- **The church office will be closed for the holidays from December 25 through January 1, 2024.**

THE BIG PICTURE: 380+ PADS clients are now staying in 6 Lake County motels. More than 80 of these clients rely on PADS donations in general and on the food and other needed items being dropped off by churches as the source of their daily meals and other necessities. **New or like-new winter hats, scarves, and gloves are needed. Contact Rose Pech to make arrangements for donating these items.**

FOOD DELIVERY: At PADS request, some churches which used to serve as emergency shelter sites have shifted to collecting and delivering shelf-stable microwavable food items to First Presbyterian Church in Libertyville where it is stored until needed at the motels. This system is proving to be more effective, efficient, and environmentally sound than having the sack deliveries of the 3-to-7-day food supply which were described in the October PADS *UNIFIER* article. Some churches also prepare and deliver dinners directly to the motels for the 80+ clients on Mondays and Thursdays. PADS hopes to get dinner meals delivered on the other nights, especially on weekends. In the meantime, the guests who need dinners on those evenings are being given donated food to microwave or gift cards to buy their meal. Most of the clients have jobs and/or have Link cards so they can pay for food and many of their other needs even though they don't have enough money for housing and/or can't find a place to rent.

UPC COLLECTION OF SHELF-STABLE, MICROWAVABLE FOOD FOR PADS:

UPC has started collecting healthy shelf-stable and microwavable food items and plans to continue doing so year-round. Everyone can be involved in helping those without a home! **Choose one or more of the following ways:**

- **Donate shelf-safe nonperishable, microwavable food and other nonperishable food items for PADS clients. Use the list found elsewhere in this UNIFIER or take a list from **behind the label in the plastic sleeve on the PADS container** under the Mission Counter in the Narthex. One idea: BRING a food item each time you come to UPC. Put **items from the list or comparable items** into the PADS container under the Mission counter.**
- **Assist in packing food into boxes at UPC. (Volunteer by giving your name and contact information to Rick Burg or Rose Pech personally, or email pads_at_upc@hotmail.com. Volunteers will be notified of dates and can sign up for the packing dates on which they're available.)**
- **Deliver boxes of food to the First Presbyterian Church in Libertyville on designated day and time. See directions for volunteering in #2 above. (PADS staff will deliver food stored at that church to the clients at different hotel locations as needed.) THANK YOU FOR YOUR ONGOING SUPPORT!**
